Bobby (may I  
call you that?)  
really engaged  
give knowing this well - warm  
mean! your sweetness  
and cliché! your  
humor and sense of  
appealing as up to an  
stars as your personality -  
you'll have you are and  
wherever you go friends  
alias a friend always  
Jo Lee Cootner

Barbara,  
It sure has been a pleasure  
to know a girl who is as sweet  
and cute as you are. We have  
had some grand times in school,  
and next year will be our last.  
I think I'll miss S.H.S. do you?  
Good luck to a girl who  
truly deserves it in everything  
you do in the future. Stay as  
sweet as you are now and  
you will go very far.

A friend always,  
Harriett H.

Tuesday night  
pretty late  
3/29/60

Dear Bobbie,

I am writing this pretty late the reason being because I was out late (shame) if I fall asleep before I get through, you'll know why.

actually (our word) I don't know how to put in words what I'd like to <sup>say</sup> ~~say~~ <sup>theoretically</sup>, I say, but I'll do my best. I think you are the best friend anyone could have. I can always depend on you and when I've got the blues, it helps a great deal. Sometimes, I know I must bore you with my problems and I don't know how you can put up with me. I thank you for listening and helping. I think you are the sweetest, nicest and most understanding girl I've ever known <sup>(almost)</sup> and I can not just keep going through my hat when I say that.

I know I'll never forget the good

(Contd on next page)

ole times at S.H.S. (Esp. the flirting)  
but most of all I'll never forget you.  
Just remember, if you need me  
for something I'm here.

Love, always, a  
friend forever and  
ever

Sandy Panther

P.S. When you get married, please  
think about poor old me. O.K.?

Barbara,

I enjoyed being your lab partner  
in chemistry this year. I hope we learned  
something. Work hard always.

Vic Wray

Nancy

Barbara,  
Well, here it is,  
that last year  
together. I shall  
always remember  
these past 4 years  
and always cherish  
them. Never forget our 6th  
period chemistry class. I shall  
always remember the good times  
we have shared. Keep this old  
school a moving rest year after it  
am gone. Good luck to a most  
deserving girl. May God always  
bless and keep you  
near him.

## Shelby follows trend toward better

English students find supplementary material helpful.

Different phases of our language program have been expanded this year, renewing the interest of students in languages. Miss Greene and Mrs. Nesbitt were added to the list of ninth-grade English teachers because of the increasing freshmen enrollment.

Ninth, tenth, and eleventh-grade English courses offer mainly grammar and literature. However, in senior English classes, emphasis is placed on composition with review of grammar.

Courses in public speaking and journalism, added this year, offer advantages to interested students.

With an additional teacher in the Spanish department plus new first year Spanish books, students progressed rapidly in the course.

Students interested in the classics may take Latin. It is the only language offered to freshmen because it serves as a background for other languages. For the first time, a course in third-year Latin was developed for Juniors and Seniors.

Still a relatively new language at Shelby High is French. Only three years in existence, this course has become more popular with students.

Parlez-vous francais, mademoiselle?

# Language, science, and mathematics courses.

Along with mathematics, science has become more important in our modern age. Around four hundred and sixty students take courses in either physics, senior science, or biology.

Several students made science projects, biological or physical, to be exhibited in the Science Fair in Charlotte.

The science department is undoubtedly the fastest developing department in our school. The need for better laboratory facilities and better instructive equipment has been shown and corrected.

And what will the reaction be?

Now like my old friend Pythagoras said . . .

With an emphasis on rockets and sputniks, courses in mathematics are stressed. General math, Algebra I and II, Plane Geometry, Solid Geometry and College Algebra provide a varied program.

For students who enjoy math and want to further their knowledge in math, a math club has been formed. Also a slide rule class is offered one night a week for two months with Mr. Jolley as teacher.

Higher grades on college entrance exams in math portions are attributed to our excellent program.

## Special skills are shown in elective subjects

Eyes on copy, ready, type?

Commercial arts enable many students to enter the business world immediately upon graduation. Any student can take advantage of the conveniences of practical and useful methods taught in Typing I, Typing II, shorthand, general business and bookkeeping.

Developing their aesthetic sense

For the budding artists, Shelby High School has a new art department. The instructor, Miss Felts, is directing the thirty juniors and seniors in various types of artistic endeavors. Work in tiles, sketcho, water colors, clay, and plaster have made this new course interesting and profitable.

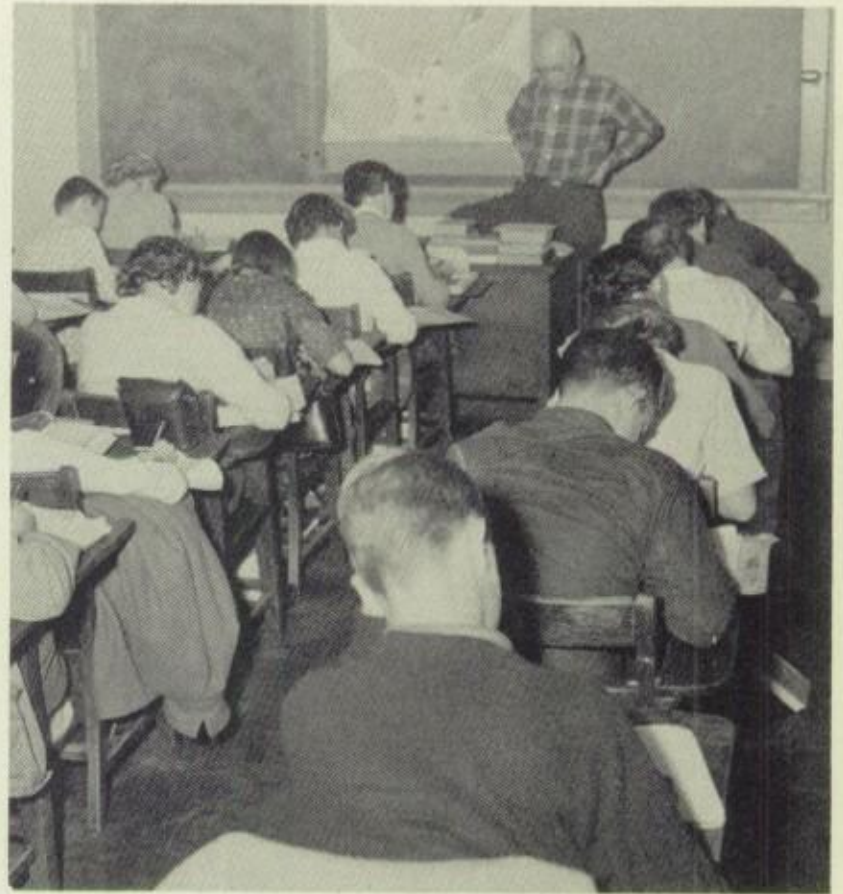

# History is made and studied at Shelby High

To understand events of the present world, one must have a knowledge of the past. This knowledge is taught at each grade level. Civics and world geography are offered to freshmen; world history is taught to sophomores; United States history is provided for juniors; and senior social studies is offered to interested seniors.

United States history is the only T.V. course offered at Shelby High with a class totaling 120.

Studying to be better citizens

Keep your eyes on the box, students

# Physical fitness and sportsmanship taught in health and physical education classes

Now in the respiratory system . . .

One of the required courses for freshmen is health and physical education. By alternating the health and physical education classes both courses are taken year round.

Both girls and boys enjoy volleyball, basketball, softball, plus other outdoor sports in the springtime. By means of charts, discussions, and lectures, these students are well informed on good health habits.

Shelby High School Reducing Salon

# *"Do-it-yourself" prevails at Shelby High*

Watch your fingers, boys!

Freshman and sophomore boys interested in manual arts have an ample opportunity to further their special skills.

A shop with modern machinery, in addition to a qualified teacher, creates both enjoyable and informative class sessions. The projects that the class members produce are very beautiful and useful in their homes.

All girls appreciate the helpfulness of the home economics department. First, second, and third year home economics are offered as elective courses. (Sewing is taught one semester and foods, the other semester.)

Mrs. Gregory joined the department as a first year home economics teacher.

Oops! Missed a stitch.

Now you're cooking on the front burner!

## Superior guidance offered to students

Books are keys to wisdom's treasures . . .

Last year a full guidance program was established at Shelby High School. Mrs. DePriest supplies information and application blanks for tests, scholarships, and colleges. She helps the freshmen, sophomores, and juniors select their courses for the following years.

Mrs. DePriest is responsible for College Day, Vocational Day, giving Scholastic Aptitude Tests, and administering the vocational tests to the seniors not planning to attend college.

The advice and information available in the Guidance Department benefits every student of our school.

Guidance is our business our only business

College Day answers Juniors' and Seniors' questions.

## Shelby High is proud of new cafeteria

The newest addition to the physical layout of Shelby High is our new cafeteria and kitchen. There Mrs. Beam and her capable staff of cooks prepare nourishing meals for the students of our school and the junior high school. We are very proud of our new building and the people who use it to its fullest capacity.

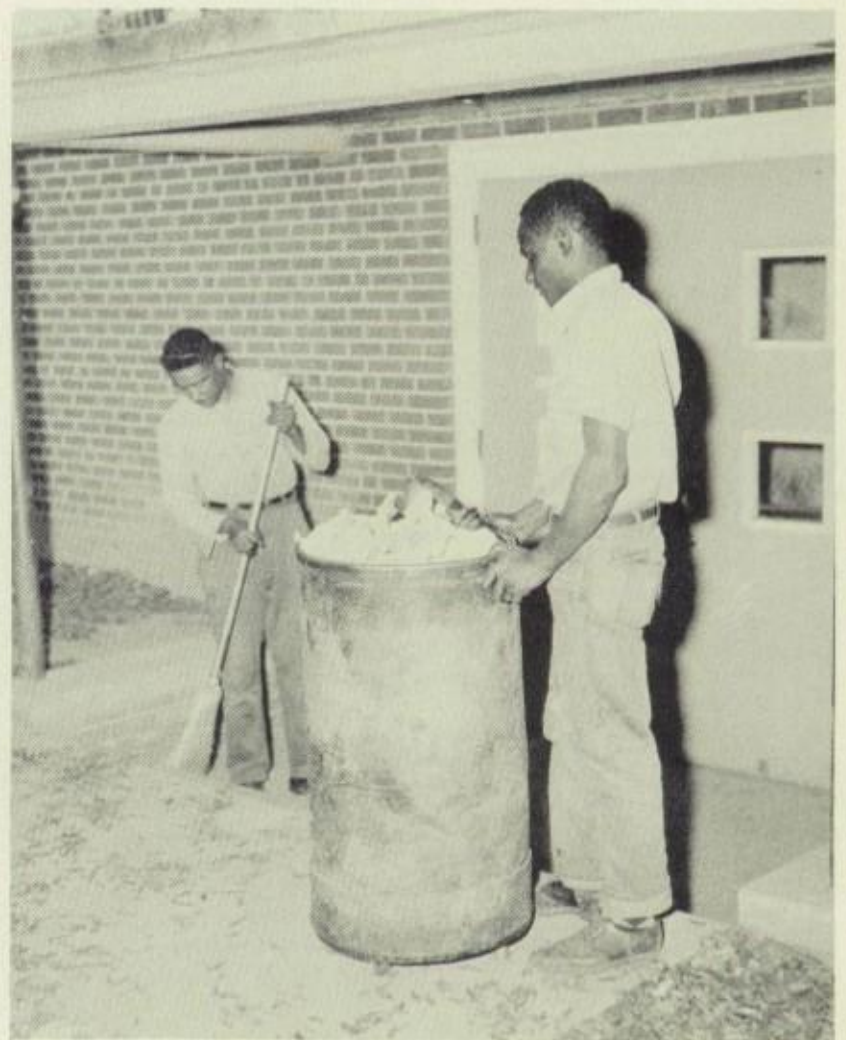

The cafeteria hums under leadership of Mrs. Beam.

Our loyal cafeteria staff

Janitors keep our building and grounds in good condition.

## Service is rendered by many

School store managers and P. A. System Operators

We can only begin to express our thanks and appreciation to those who serve us so faithfully. The P.T.A. makes possible better relations between the faculty and the parents of students. From among our own number, we thank the boys who operate the school store, which carries most of the necessities for school work; the boys who make it possible to hear the speaker in a chapel program; and those who work in the various offices in the school system, especially the secretaries to the superintendent, principal, and supervisor.

## *We Dedicate*

Since you and our class entered Shelby High School together, we have shared many experiences. Your guidance and encouragement have been a source of constant inspiration when we have faltered. To us and to the remainder of the school your friendly smile and cheerful words have been a welcome comfort in times of uncertainty. Mrs. Inez Connor, we acknowledge your many contributions to us and express our gratitude by dedicating this yearbook to you.

## *Activities enrich school life at Shelby High.*

Last year Gene Messick, a 1959 graduate, made Masonite emblems to be purchased by the various school clubs. The diamond shaped plaques are black and white with multi-colored designs. These are to be put on display in the new high school.

Another addition to our surroundings is the bronze lion given by the class of 1959. Leo has become a familiar sight and is one lion in the hall that is certainly welcome.

## Honor Society plans scholarship for member

Our more studious seniors enjoy membership in the National Honor Society. Its name tells its story. The members must be in the upper third of the senior class, and the members are selected by a faculty committee.

The four aims set forth are to encourage the development of character, to create an enthusiasm for scholarship, to promote worthy leadership, and to stimulate a desire to render service.

Basis for selection in the National Honor Society includes character, scholarship, leadership, and service.

der, Parliamentarian; Jerry Trammell, President; Dick Craver, Second Vice-President.

## *Student Council sends money to "Care"*

The purpose of the Student Council is to represent the student body as a whole. The Student Council is an organization of students who work in co-operation with the faculty for the student body. Its members are students elected by their homerooms and clubs to serve as their representatives in this body. In this way the student body is equally represented.

This organization was not formed as a governing council, but rather as a representative body of students who can help the pupils of Shelby High School with their

problems. The Student Council also tries to stimulate the students' interest in the school in all its activities and to instill in their hearts a deeper appreciation of what school can mean to them.

The Student Council has sponsored several dances and several money-making projects throughout the year. The Council regularly sends representatives to the W.N.C. Convention of Student Councils and the State Convention. It also sponsors the American Field Service exchange student in our school.

Delegates attend convention

No one can possibly conceive the amount of time and work which go into a yearbook until he has become a staff member. The taking and identifying of pictures, the composing of the copy which constitutes a great portion of the book, and the organization of accumulated material necessitates diligent and co-operative work by each member of the staff. However, the satisfaction of seeing a job well done makes any amount of work worth while.

## Outlook is bigger and better. *He tried*

Meeting of the Quill and Scroll

The school newspaper, The **Outlook**, is a student production written and edited by members of the staff.

Its purpose is to stimulate interest and pride in the activities of the school and to serve as a mediator between school and patrons. Through this medium students are given an opportunity to develop composition, business experience, and public relations.

The school newspaper is supported by school subscriptions and advertisements.

Students indicate preference of staff positions during spring registration; these positions are approved by the sponsor. A half unit of credit is being given to students of journalism.

The purpose of this organization shall be to promote the ideals of honesty, service, and leadership among high school students; to reward meritorious achievement; and to encourage and assist students to continue their education after high school. Any senior high school which is accredited by the State Board of Education shall be eligible for a chapter.

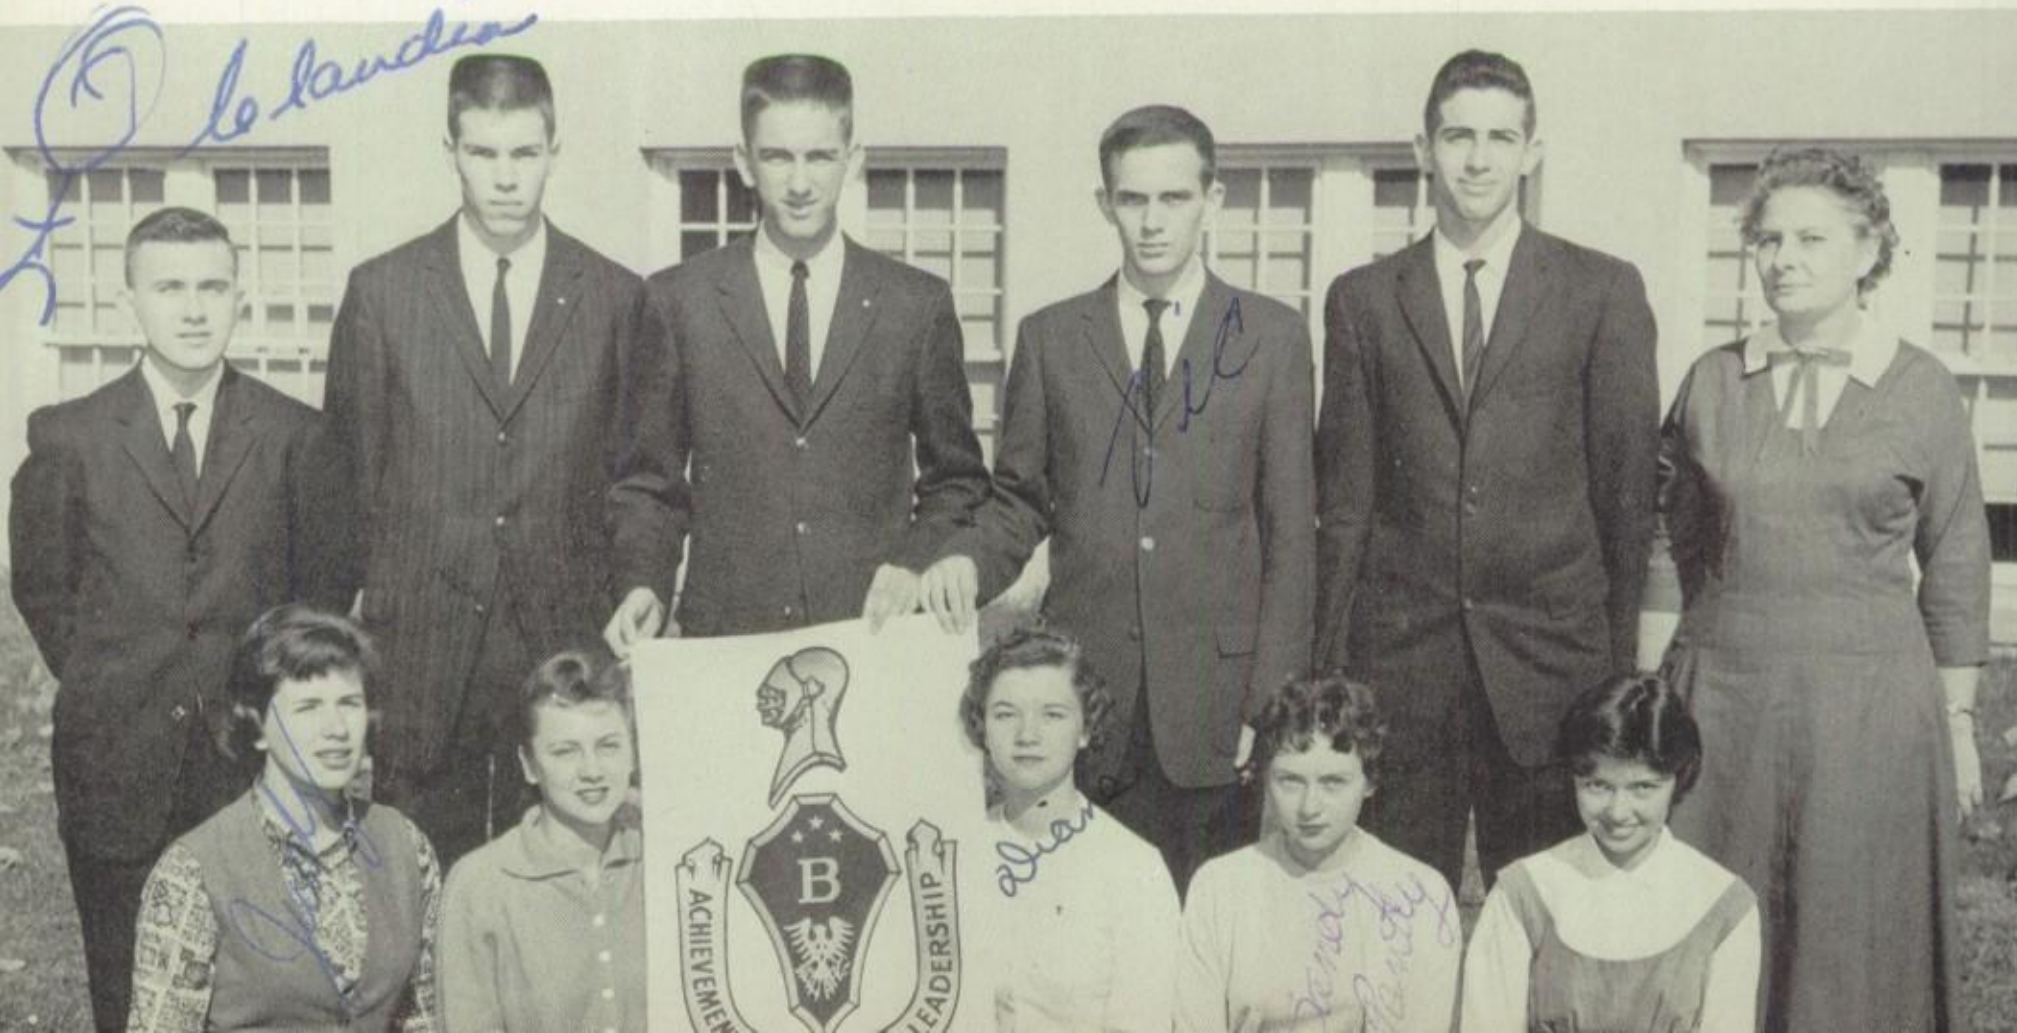

The qualifications for membership shall be worthy character, good mentality, creditable achievement, commendable attitude, and a scholastic standing of ninety-five or above at the end of first semester of the sophomore year.

## Four French Club members attend Language Day at W.C.

Vive la France

Les Savants, which translated means the "scholarly ones," is a newly acquired club at Shelby High School. The purpose is to promote a fuller understanding and appreciation of the French language, literature, and customs. The motto of this organization is "avancons."

A scholastic average of ninety must be maintained throughout one semester of first year French before membership can be attained.

At monthly meetings the members take part in the presentation of varied programs concerning all phases of French custom by way of skits, sing-o-ramas, and oral reports.

This year four members attended language day at W.C.U.N.C.

## "JCL" members attend convention of "UNC"

The Junior Classical League is a national organization for the encouragement of the study of the Greek and Latin Classics. We are proud to have an active chapter of this organization at Shelby High School.

Pupils who have averaged ninety or above on the first two years of Latin are eligible for membership. Meetings are held once a month in the homes of members. Each pupil participates once a year in the program and as a host or hostess.

Members attend the state Junior Classical League convention in Chapel Hill each spring.

"Senatus populusque Romanus"

The Latin Club is for those who have made an average of 90 or above during their first year in Latin. It encourages good scholarship and builds a broader background for the study of Latin. It increases the interest of pupils in their study of languages.

By meeting in homes and participating in programs, the pupils learn much about assuming responsibility.

Lancaster, Jerry Teele (Vice-President), Steve Hoyle, Bob Perry, Wallace Putman, Doug Limerick, Dick Hamrick (President), Conrad Martin, Eugene LeGrand, Claude Wilson (Student Council Representative).

The Spanish Club has as its underlying purpose to acquaint students of Spanish more thoroughly with the language, and with the people and cultures of the Spanish-speaking countries. It is hoped that the members will gain a deeper understanding of our Latin American and Spanish neighbors through work in the club. An outstanding purpose of this organization is to encourage a high standard of work on the part of all students of Spanish. In order to accomplish this, the membership of the club is limited to those maintaining a ninety average in this subject.

## Forensic Club revives debating at

## Shelby High School

The Forensic Club was formed in conjunction with the Public Speaking course now offered at Shelby High School. Our purposes are to train ourselves in public speaking, debating, discussion, parliamentary procedure, and other aspects of speech. We are striving to develop whatever talents we might possess along this line, and to have a good time doing it.

The club holds its meetings once a week on Friday during the regular class period. The meetings are carried out in strict parliamentary procedure, since this is one facet to our speech program.

## Girls' Monogram Club sells programs at football games

Membership in the Girls' Monogram Club is made up of girls who have earned their letters either in basketball or in cheerleading.

Requirements for earning a letter in basketball are regular practice, participation, attitude and the playing of thirty-two quarters during the season. Requirements for cheerleaders to earn letters are to serve as a substitute for one year and as a regular cheerleader for a year.

The object of the club is to encourage participation and sportsmanship.

Our main project is selling programs at the football games.

Girls' Monogram officers lead female athletes

The Boys' Monogram Club's membership is composed of all boys who have earned a letter by participating in a "Varsity" sport at Shelby High School. The sports in which a letter can be won are football, basketball, baseball, track, golf, and tennis.

The purpose of the Monogram Club is to support the athletic program and to promote an interest in athletics at Shelby High School. Among the club's activities is the keeping of a scrap book of newspaper clippings about Shelby High's athletics. The club also plans to start a notebook which will contain the names of all boys who have lettered in any sport. This book will be kept for a permanent record in the office.

## Chemistry Club plans trip to Oak Ridge, Tennessee

The Chemistry Club of Shelby High School is an organization to promote an interest among the students in chemistry and physics. The club is open to students who have shown a high degree of interest in the physical sciences. The programs that are presented at the monthly meetings reflect the students' interests in science. The club is under the sponsorship of Mr. C. D. Hendrick, Jr., the physics and chemistry instructor of Shelby High.

A grade average of ninety has to be maintained by students to enter and remain in the Chemistry Club.

Now this is the crystalline structure of calcium.

The Mathematics Club of Shelby High School is not designed to be an honor society. It is a voluntary association of persons interested in mathematics. To be eligible for membership a student must have passed or be passing a course in plane geometry and two years of algebra. He must also show an interest in the club by attending meetings regularly. The meetings are held monthly in members' homes. At each meeting a program centered around some phase of math is given by a member.

## Efficiency and service typify key club

In order to train the leaders of tomorrow, Kiwanis International organized a high school service club for boys. They called this club the Key Club. This club was set up internationally and has become one of the most respected high school organizations in America.

The Key Club of Shelby High School is made up of boys from the sophomore, junior, and senior classes. Their selection is based on leadership and scholarship.

The objective of our Key Club is service to our school and community. Through this service we hope to promote better co-operation and understanding.

One of the Key Club's weekly meetings.

The Selma Webb Chapter of the Future Teachers of America is open to any student who is a member of the junior or senior class and is interested in teaching as a profession. Club programs deal with various aspects of teaching; this helps the members to decide, before they enter college, if they are really interested in teaching.

This club also sponsors the observation of American Education Week in Shelby High School.

## FHA sells fruitcakes

The F. H. A. goal is learning to live better today in order that the homemaking pupils' lives and those of their families may be better tomorrow. "Toward New Horizons," the motto of Future Homemakers of America, expresses the purposes of the organization. The emblem symbolizes that the future homes of America are in the hands of its youth. The flower is the red rose, and the colors are red and white. Our chapter is affiliated with the state and national organization.

Each year delegates from the Shelby Chapter attend District Rallies and the State F. H. A. Convention. We have presented two candidates at these state conventions, Nancy Rosenthal and Catherine Blanton (respectively), who have continued in their F. H. A. work and become national officers—Nancy being secretary and Catherine holding the office of treasurer in one of the nation's largest and most active organizations—Future Homemakers of America.

## Commercial Club provides future business leaders

The purpose of the Commercial Club is to broaden the knowledge and interest of students in different commercial fields, to create a greater interest in business activities, and to foster worthwhile social life among the members.

Any student of good character, taking two or more commercial subjects, maintaining at least a "B" in all commercial subjects and a good average in all other subjects is eligible for membership.

New members are taken into the club at the end of the first six weeks and after the first semester.

Mrs. Webb expounds business opportunities.

The Industrial Arts Club was formed in 1955 soon after the opening of the Industrial Arts Department. The eligibility requirements were determined by those in industrial arts who were interested in the club. It is designed to provide social fellowship for its members who have been recognized as having done excellent work in industrial arts. Its aim is to further interest in industrial arts and to promote the main objective of the Industrial Arts Program as it is being presented in the Shelby High School. The objective, then, is to meet the needs of students preparing to live in a technical, democratic society.

The basis for membership is that the student must show an interest in industrial arts and be in good standing with his fellow students and members of the faculty. If interested, he should see the instructor at any time.

Here are our future craftsman.

Practice makes perfect!

caliber, increases membership

The primary purpose of the glee club is the development in students of skills and appreciation of secular, sacred, folk, and various types of music. "Music is universal" and from these different types of music, much is learned of the cultures of the world. There is a song somewhere for every occasion. The purpose is to learn enough good choral music so that students will be well-rounded and well-trained.

Choral work presents a pleasant way to learn fundamentals of music. It continually improves vocal production and technique on the part of students. It also gives students an insight and development of a hobby which will fill many leisure hours in the adult years to come.

These head the glee club.

At Shelby High School cheerleaders are selected by the student body after a two-week practice session with the regulars. The responsibilities of these girls are to promote school spirit, cheer at all football and basketball games, decorate the goal posts, and conduct pep rallies and bon fires.

With an unlimited supply of energy these girls are always on hand to lead the yells and fight songs for our team.

## Band Club initiates twenty-two new members

The Band Club is an organization which supplements the activities and needs of the band. It was formed for the purpose of extending a bandsman's knowledge of music beyond that which he receives in the marching and concert band. With this aim in mind, the band club has worked untiringly toward this end. It operates the band store which supplies the band students with musical equipment. The band club is composed of band members who have completed two years of High School band and are presently engaged in its functions. An "A" average must be maintained by members.

The brass ensemble practices.

Mr. Homer Haworth  
Director

Jimmy Toole  
Drum Major

Shelby High School is proud of its seventy-two piece marching and concert band. By its aid and support, a high level of school spirit has been achieved and maintained. Through the able leadership of Mr. Homer F. Haworth, the band has attained a marked degree of proficiency on the marching field and in the concert hall. A rating of "superior" was awarded the band at the Bristol Marching Contest in Bristol, Tennessee! The Shelby High Band is indeed proud of its fine record and will strive to keep its ranking at the top.

## Boys' Basketball

*"State Champs"*

Graduation took its toll on the Boys' Basketball Team. Despite this fact, the Lions, with only two returning lettermen, are hoping to successfully defend their Conference Championship, which was won last year. The team as a whole is inexperienced and young, but if early season games are any indication of things to come, the Lions will be giving stiff competition to anyone this year.

#### Basketball Coaches

Ken Bumgarner, Girls' Coach; Casey Morris, and Lloyd Little, Boys' Coaches.

#### 1959-60 Team

Front Row: Brenda Hawkins, Diane Singleton, Reanza Waldrep, Janie Wray, Janice McCraw, Judy Woods, Dot Putnam, Jenny Roberts, Martha Stroup.  
Second Row: Coach Ken Bumgarner, Michele Jones,

Sarah Craver, Amanda Wallace, Harriet Keever, Revonda Ellenburg, Sandra Mosteller, Sandra Wright, Brenda Reed, Mrs. Wray. Not pictured: Linda Torrence, Manager.

*This is great*

## Girls' Basketball

The 1958-59 Basketball season was the best season in many years for the Lionesses. Much of this success must be attributed to their new coach, Ken Bumgarner. After losing only two starters to graduation, this year's team promises to be even better than last year's. In fact, the girls are aiming for the number one spot in the Conference.

Co-Captains; Brenda Hawkins, and Martha Stroup.

#### 1959-60 Team

First Row: Tina Blanton, Aree Willis, Rachael Webber, Sandra Keever, Brenda McSwain, Chryl Bramlett, Barbara Champion, Benda Davis, Judy Wright. Second Row: Kay Patterson (Manager), Omega Waldrep, Ann Glascoe, Diane Rollins, Emily McCulley, Cathryn Graham, Brenda Crawford, Susie

Waters, Darlene Philbeck, Patsy Greene, Linda Carpenter (Manager), (Coach) Ken Bumgarner. Third Row: Rita Greene, Brenda Hord, Brenda Lemmons, Jeane Hawkins, Ann Rollins, Rachael Hardin, Betty Jane Cline.

## "Lions win W.N.C.H.S.A.A. State Title"

The 1959 edition of the Shelby High Baseball Team was one of the best teams in many years at Shelby High School. The Lions won the W.N.C.H.S.A.A. State Championship for the second year in a row. Even though many members of last years team were lost to graduation, the Lions will be trying to successfully defend their title and make it Championship number three in 1960.

#### Coaches

Head Coach Casey Morris, and Coach Gene Kirkpatrick.

Front Row: Tommy Baxter, Jerry Teele, Ken Allison, Joe Kistler, Larry Warren, Van Morrow, Dennis Morrison. Second Row: Fred Mauney, David Rabb, Woody Thompson, Robert Philbeck, Johnny Church, Bill Pearson, David Dobbins. Third Row: Coach

Gerald Allen, Tommy Poston, Freddy Ropp, Herby Combs, Wayne Lovelace, Bob Yelton, J. W. Hester, Kenneth Speagle. Fourth Row: Michael Spangler, Vic Wray, Gary Mauney, Charles Hand, Roy Wilson, William Kazlouski, David White.

## "Shelby's Cindermen Tops in Conference"

Even though the 1959 Track Team failed to successfully defend their State Title, won in 1958, the team still had a very successful season. They were the top team in the Conference and placed second in the District meet. The 1960 Track Team is looking forward to maintaining their spot as the top team in the Conference.

## Homecoming festivities highlight

Homecoming at Shelby High School was the highlight of the football season. Floats from homerooms and clubs were entered in the parade of which the National Honor Society had charge. Senior football players and other seniors holding the office of president in certain clubs were eligible to have a sponsor.

During the half-time ceremonies on Octo-

ber 16, 1959, the combined bands of Lenoir and Shelby presented a most unusual program. Also, at this time the sponsors were introduced.

After the game the gym was the scene of the big Homecoming Dance. The music, provided by the "Nocturnes" helped to bring to a conclusion a day long to be remembered by all Shelby High Students.

First Row: Carol Ann Hovis (Freddie Ropp), Betty Blanton (Linton Suttle), Carolyn Blanton (Joe Ponder), Pat Brackett (John Church). Second row: Faithel Pendleton (Norman Knight), Jane Dale White (Ken Allison), Rebecca Hamrick (Roy Wilson), Betty Greene (Fred Mauny), Frances Larkins (Mickey Spangler), Linda Torrence (Cruiser Staff).

## Girls' State

Experience has proved that good democratic government depends upon an enlightened citizenship. To this end, the Tar Heel Girls' State has been set up by the North Carolina American Legion Auxiliary. Its purpose is to provide an understanding of the structure of our state government and to develop a sense of responsibility as political citizens.

The citizens of Girls' State hold their own city and state elections and carry out the functions of our state government. The trip to the Capitol in Raleigh highlights this wonderful week of studying and practicing good Citizenship.

Pat Hopper and Jane Dale White

Jerry Trammell

## Boys' State

Under the sponsorship of the American Legion, Tar Heel Boys' State is a program dedicated to giving high school boys additional knowledge about our government and encouraging them to practice their citizenship.

Rising seniors from all over North Carolina go to the University of North Carolina where they spend a week studying and practicing state government. The daily schedule consists of lectures, study, athletics, and political meeting in the evenings.

The ultimate aim of this program is to instruct America's youth in democracy and to instill in them a desire to preserve this wonderful heritage.

## Sweden To Shelby

We are proud to have with us for a very short year Eva Falk from Linkoping, Sweden. Eva is a representative of the American Field Service which sends exchange students throughout the world. Eva's friendliness and willingness to enter into the spirit of the group have endeared her to her family and the students of Shelby High.

Eva Falk

Linda Logan

## Shelby To Finland.

Last year Linda Logan was chosen to spend the summer in Finland. Her Finnish family was Mr. and Mrs. Lauri Tiitola and their daughters Marja and Kirsti who reside in Helsinki, the capital city of Finland. Much of her time was spent traveling with her family in southern Finland and at their summer cottage in the village of Espoo.

## Marshals

Front row: Linda Torrence, Nancy Bennett, Mrs. Ruth Webb, Kathryn Oehler, Susan Harry. Second row: Barry Dorsey, Joel Morrisett, Vic Wray, Thomas Poston. Third row: Pat Hopper, Linda Logan (Co-Chief), Elizabeth Lackey, Claudia Abernethy. Fourth row: Hill Hudson, Johnnie Kennedy, Ed Kouri, Howard Rollins (Chief).

To be a marshal is one of the highest honors bestowed upon a student at Shelby High School.

These sixteen marshals, eight Seniors and eight Juniors, are chosen by the faculty from the upper third of their classes for their dependability, loyalty, pleasing personality, and poise.

The duties of the marshals consist of leading the seniors to their seats during the commencement exercises, carrying out efficiently other activities necessary for the graduation program, and seating the public at graduation, at the Community Concerts, and at other public and school functions.

Ed Kouri

Nancy Styers

## Awards

Each year at graduation exercises several awards are given to underclassmen. In 1959, the D. A. R. citizenship award was given to Nancy Styers by votes of faculty. The Roberts Latin Medal was awarded to Edward Kouri. The medals for highest average in United States History were presented to Mark Riley and Adelaide Austell.

Bobbie, (Darling)

First of all I want to thank you for the privilege of having such a wonderful neighbor, and for the great

honor of knowing such a wonderful person, personally. You are a wonderful girl and I hope nothing but the best is in store for you in the future. You got what it takes to make a girl **SPANGLER & SONS, INC.** I am sure you will take advantage of it. (Even though you don't study

your Chemistry.) How do you tell a girl she has got every thing <sup>(so very - beautiful)</sup> **Transit Mix Concrete** (a good looking), wonderful personality, charm, and just good
